MTHS

Oh, the blue and gold over all,
May they rise to the sky, never fall,
May the world look to them in their flight,
They are the colors for which we fight.

We're the students of Marked Tree High School
The school that is always the best,
We've stood every trial, every test,
Our banner bold, the blue and gold,
********** will reign forever **********

HOME OF THE INDIANS!

With deepest appreciation for all that she has given during her service to Marked Tree High we respectfully dedicate this volume of our yearbook to:

Mrs. Sandra Latham

Her guiding influence will be felt in the lives of her students for years to come, for in every sense of the word she has exemplified the qualities of an able instructor, a wise and energetic leader, and a loyal friend. These qualities and many others have won for her the respect and high regard of all who have come in contact with her.

PROPHECY

1983 PROPHECY

It's 1993 and here we are on "Fantasy Island." It's about time for the class of '83 to start their reunion. Have you heard from any of them?

Yeah, I was at the capitol the other day and of course I saw *ANN RHOADS* with Bill Clinton again. They say she's looking to become the First Lady of the State.

Many of the members of the class of '83 made it to the top. Such as *BARRICK LESTER*. He has so many football scholarships, he didn't know which one to take, so he is now practicing ballet with a Russian Ballet Company.

ROBERT TUCKER is also rich and famous. Paramount Pictures did away with their sound effects department, now they use Tucker.

WOODY LATHAM released his first play on Broadway last month and is making a killing. Mrs. Latham no longer has to teach, she is living in New York with Woody.

Have you seen *CHUCKY MALONE* lately? I don't see how you could miss him at 7'4"! He turned free agent and was picked up by the St. Louis Cardinals. He's now the highest paid player in baseball. I hear Beth is looking for a house near a good school for the kids. Now that Chuck and *BETH GEORGE* have moved to St. Louis, they have also hooked up with *BRUCE FORD* again. Did you know that he is the voice of the Cardinals now? It took him quite a while to get over Robin, but I hear he's okay.

Speaking of *ROBIN PRINCE*, she thought she was going to go hog wild in Fayetteville, but Barbara Faye is staying right across the hall.

DENISE VANCE is head nurse at Baptist Memorial Hospital in Memphis. I heard she got the job because she's married to the chief surgeon. Now that I think about it, he was from Marked Tree too.

Talking about hospitals, did you know that the Baptist Hospital recently named a new wing of their hospital after *PENNY NICHOLS SIMMONS* since she spends so much money there.

Have you heard from the Cates boys lately? No, not lately, but I did talk to Mr. Roark earlier today and he said *RONALD CATES'* fantasy is to get a role in the remake of the American Gigilo, his only competition is his brother *DONALD CATES*.

Did you know that *JUNIOR COOPER* changed his name? He was so proud to have graduated, he doesn't think he should be called Junior anymore, but Senior Cooper.

I just love your haircut, where did you get it cut? Have you not heard about the perfect hair cutting salon? *TRACY LOGGINS* gives perfect haircuts just like his own.

Speaking of hair, *ANDREA ALLEY* dyed her hair red and she now plays for the Redheads basketball team!

As we look further across the island I see *DIXON CHANDLER*. He is responsible for the new store in the Mall of Memphis, its not called Schonbergers anymore, its called Dixonbergers!

CAROLYN ARMSTRONG, KELLY HUBBARD, and *CHARLENE HENDRIX* moved on from their checking jobs at the Food Giant and now own the Kroger Corporation.

The senator for "Fantasy Island" is running for that office again. This will be *KEITH JOHNSON'S* third term. His nickname is Silver-Throated Con-Artist. Wonder why?

ALBERT ITSON'S fantasy is to go to England, but he doesn't know he will find out his true identity. He is a true prince and is next in line to the throne.

JOANN ANDERSON has gone T-totally punk rock! She has gone as far as shaving her head in a mohawk style and decorating it with shining glitter.

MICHAEL HARSTON moved on to be manager of Midsouth. Some lucky girl named Sheila happened to get the head secretary job for some unknown reason.

Have you seen *LAURIELLE MARYANS* filling in for Dolly Parton on 9 to 5? She's great!

Everyone knew *LETHA LOVE* would be rich and famous, its just not the way we expected. She used all her intelligence and ingenuity to have her walk patented.

Boy, there are alot of successful people out of this class. *JERRY CARTER* replaced Johnny Carson as the host of the Tonight Show.

STACY MORGAN was the star of the Tulot Metropolitan Opera of the Barber of Serville.

JEROME SIMMONS just came out with the remake of "Swangin"! I wonder if he has found anybody to SWANG with yet!

It is rumored that *ELBERT DEAN* is still busy helping Michael Vick get through high school.

TONY and RANDY BROWN opened their own auto-body repair shop but they're not making any money, because they are too busy repairing their own cars.

TINA BURFIELD HATLEY is driving a truck for Sam Hatley Farms.

BARBARA ANTHONY loved the Good Ole Alma Mater so much that she returned and started teaching part time in Mrs. Fleming's place.

What do you know ... *DARLENE BARNES* has finally married the man of her dreams, and it only took her 13 years to get him to jump the broomstick.

THRESA BREWER and her mother are now sharing in the ownership of the Travel Air Motel and Theresa's the BOSS!

SHARON HUGHES and Greg finally tied the knot. They're here on the island and as usual they are staying in separate bungalows.

RHONDA ROSS went to school and got her degree in fashion designing and now designs clothes for Burt Beynolds. They're thinking of doing a movie together.

MARIE CROCKETT has become well known for her talent in art. Her paintings are valued like Rembrandt's and are hanging in the Louvre.

EDDIE NASH owns a major car manufacturing company, but he hasn't thought of a name for it yet.

KELLY HOWERTON joined the navy after graduation and is now an admiral. I hear his sly sailor tongue picks up all the girls at every port.

Since *BARRY ROSSELL* liked Mrs. Clay and Chemistry so much, he is now assisting her in lab work in Marked Tree.

LARRY ROLLINS took Fred Ashcraft's tribune and it is now called the "Town Gossip". *JAN RHOADS* is his head reporter. Thier slogan is "We are always at the scene."

KAREN CLAYTON and Steve got married immediately after graduation. It didn't turn out the way Karen expected. They already have six children.

DEBBIE HAMBLEN, VICKI LANE, and *MARY HOUCHIN* tied for the job Secretary of Treasury. If you look at the dollar bill, you can see their signatures.

Nobody knows where *CINDY YOUNG* is, she still hasn't said a word. We figure she is somewhere walking her dog.

LYN OSBURN opened a day care center in Memphis and is doing very well.

RHETHA SPARKS won Mother of the year award and won a trip to the island.

The only other person I can think of is *DON BECK*. He recently appeared as the centerfold of the April Fools edition of Playgirl.

WILL

The SENIORS of '83 would like to leave the little bit of privleges they had this year to the coming Seniors of 84 and hope that the Juniors will take them away like you did ours.

CINDY YOUNG leaves her quiet way to Lisa Yancey in hopes it will settle her down.

ALBERT ITSON leaves his Chicago style to Cleo Perry.

ELBERT DEAN wills Mark Timbs an extra two hours for tonight because he has to be in at 10:00.

I, LETHA LOVE, will my walk to all of the poor souls who have tried desperately, without success, to imitate it.

CHRIS HOLT wills his bass boat, his fishing ability, his drum playing ability and his gorgeous brown hair to David Parks because he is lacking in all of those areas.

I, CAROLYN ARMSTRONG, will Debbie Green my ability to have a good time without getting caught.

DEBBIE HAMBLEN wills Barbara Grisham the ability to get along with her mother before they both go crazy.

ANN AND JAN RHOADS leave their MG to Jeff Brewart in hopes that he can find a backseat.

DIXON CHANDLER leaves the entire school to anyone who can stand it.

WOODY LATHAM would leave his trombone to David Ward, but David really doesn't need to learn another instrument and Woody needs it next year anyway.

MICHAEL A. HARSTON leaves his love for God to the entire Junior Class.

RHONDA ROSS leaves Brad Williamson the ability to step out with all of his female class mates and not get caught. Better luck next time!!

BARRY ROZZELL leaves Carla Ivy a mirror so that she can see that she puts on too much make-up.

CARL SMITH wills Larry Portenberry his Dodge pick-up so he won't have to drive a Ford all his life.

EDDIE NASH leaves Sherri Harrson his ability to get over a broken heart.

THE OFFICE PRACTICE CLASS leaves their ability to sneak cokes between 5th and 6th periods and not get caught to next year's class.

I, KELLY HUBBARD, leave Cheree Dean my ability to get along with Bernie in hope that she will hand over some helpful hints on his temper.

We, the MEMBERS OF THE 1982-83 SENIOR MATH CLASS, will our ability to always be absent on test days to next year's class.

I, JOANN ANDERSON, will Lena James my free heartedness because she is one S-T-I-N-G-Y chic, if you get the message.

I, ANDREA ALLEY will my squeaky tennis shoes to Barbara Grisham so she can drive her mother crazy.

REATHA SPARKS is too busy gossiping to leave anything.

The SENIORS OF 1983 leave Marked Tree High hoping it will become a better place without them.

As editor of the Pow Wow I sincerely hope that we have captured some of your memories from MTHS. Many hours have been spent working with pictures and lay-outs, it has not been easy. I want to take this time to thank my co-workers for their effort and time. Furthermore, I would like to give a special thanks to our great sponsor, Mrs. Kaye Adams, and to Mr. E. L. Rodgers for making our job easier. The best of luck to everyone.
